"My FFL was an absolute lifesaver!  
And I would love to pay it forward!"

2026

Dear Friend,

For over 38 years, **Friend for Life Cancer Support Network** has provided cost-free emotional support to those facing cancer. We connect patients and their loved ones with trained survivors of similar experiences, ensuring that no one has to face cancer alone.

Our mission is fueled by a dedicated staff and over 420 Peer Navigators who provide compassionate, confidential support to hundreds of individuals every year. Our greatest source of funding for these services is our annual signature event, **An Evening with Friends**.

We are writing to invite you to partner with us by **donating an item or service** for our fundraising auction on **Saturday, August 22, 2026**.

### **Why your support matters:**

- **Visibility:** Donors are acknowledged online, via our social media channels, and in our organization's newsletter, reaching thousands of community members.
- **Impact:** Your contribution directly funds the pairing of cancer patients with Peer Navigators who "have been there."
- **Community:** You will be supporting a Louisville-based 501(c)3 that has been a lifeline for families for nearly four decades.

We would love to have you join us for the event. If you would like an invitation or have any questions, please contact us at **502-893-0643** or email [staff@friend4life.org](mailto:staff@friend4life.org).

Thank you for your continued support and for helping us "pay it forward" to those in need.

Sincerely,

Sheri Donahue  
Executive Director
